In an effort to increase health and wellness in Pendleton County, Falmouth Christian Church's Wellness Program will be sponsoring a step /walking challenge.

We will provide anyone, or any team, with pedometers and we will track your steps weekly. It was predicted that in 2010, 285 million people, or approximately 6.4% of the world's adult population, will live with diabetes. By 2030 this number is expected to grow to 439 million. By participating in our Step Challenge we can dramatically decrease these numbers. This can be a great way for you and your friends to increase your health, get in shape, and lose weight while participating in friendly competition amongst our community.

We have a plan of action but we need as many as possible to commit to participate. You don't have to be overweight to get sick. Our program is intended to create good health and prevent disease. There will be competitions, prizes, and lots of fun while we work to get our exercise up to or above the recommended 3 1/2 hours per week. This is a community-wide project so pass the word on to your friends and neighbors.

Watch for details in The Outlook, the church bulletins and on the Falmouth Christian Church website (falmouthchristianchurch.com)

A unique festival in Karachi is the "Crocodile Festival." This is a festival held by the ethnic group called Sheedis in Pakistan. The festival works in that the people feed crocodiles and dance and sing. However, it is the dangling part of the festival that makes this stand out. A father will take his baby son and dangle it above the jaws of a crocodile. This is done to find blessings for the child, and if the crocodile does not attack him, then it shows he will also fail to attack the people during the upcoming year.

Rituals in other world religions such as this cause me to be thankful for Jesus Christ! Reality – I simply need to believe in Jesus Christ and live a life that shows this belief in order to find favor with God! Jesus Christ gave His life so that I can do so.

At our last board meeting we voted to become a Green Chalice church. Some exciting ideas include a co-op, or mini farmer's market on Sundays after church and looking into getting a recycling bin for our church and the Morgan community.

We continue to enjoy the Grassy Creek volleyball league and Zumba at Morgan weekly.

Before the summer is over we hope to do a camping trip, a movie and roasted marshmallow night, possibly canoeing and the PCCC swim at Kincaid Lake.

We also look forward to dedicating our new playground in September with a youth Sunday (casual Sunday). It should be a great event.

The children plan on making stepping stones which will be placed in the playground as a part of our service.

We can't be perfect but our Savior is perfect and His blood can make us perfect one day. Jesus is perfect, powerful, pure and ready to save us.

Pleasant Hill Baptist

The New Testament tells us to sing "Psalms, hymns and spiritual songs"(Ephesians 5:19, Colossians 3:16); it also tells us to sing with understanding (1 Corinthians 14:15). Do you understand what you are singing?

Next Sunday, try this exercise at the church you attend. Read the words; listen to what you are singing. Ask yourself, does this song praise God? Does it uplift Christ or man? Does it teach true Bible doctrine and promote holy living? Is it truly a Psalm, hymn, or spiritual song? Or is it just a "vain repetition" (Matt. 6:7).

Maybe you can't understand what you sing because it is drowned out by all the instruments. Ask your church to try singing "acapella" style, without instruments; perhaps then, people could really understand what's being sang. After all, it is how most of Christians sang for most of 1900 years, and acapella means "in chapel." Go for it!

Roanoke Christian

Bro. Don's message Sunday was "Your Devil may be too small." Do we think of the Devil as someone or thing that just worked on people thousands of years ago? Do we think that he can not touch us because we go to church? Remember the Devil can work in mysterious ways through many people, and if we believe we can recognize and resist him on our own, our Devil is too small.

The ladies weekly Bible study will not meet Wednesday, July 20 due to our revival which began Sunday, July 17 and goes thru Wednesday July 20 with Evangelist Bro. Bruce Heller, all are welcome to attend.

Please remember those who are ill and those who are experiencing a difficult time in their life in your prayers and thoughts.

You are welcome to join us each Sunday for Worship services at 11 a.m., Sunday school at 10 a.m.

Southside

I love you! I really love you! I exploded a brilliant sunrise into a glorious morning for you. I try to say it in the quiet of the green meadow and in the blue sky. The wind whispers my love throughout the treetops and spills it into the vibrant colors of the flowers. I warm you with the clothing of my sunshine. I paint you a sunset to close your day. as I watched you fall asleep I spilled moonlight onto your face trickling down your cheeks. My love for you is deeper than the ocean and greater than any need in your heart.

Turner Ridge Baptist

Sunday, July 10, Bro. Dale's message was "Baptism and The Lord's Supper" with scripture from Romans 6:3-4. Adam Bonar read scripture from Exodus 13:8-10.

Evening message, we are still in our study of "Truth about Grace" in Galatians.

We were glad to see Judy Gregg in church on Sunday as the three Gregg boys were baptized.

July 17 we will have a home-made ice cream social. Our missions retreat is August 4-7.

Uncle Dale gave the children's message on using a photobook and telling them that the Lord's Supper was the photo before he was crucified and we remember.

Christian sympathy is extended to the families of Darlene Wilson and Sandy Trout.

New friends were added this week.

Please remember prayers and concerns for everyone.

No church home? Come join us.

Falmouth Baptist

Greetings from the Falmouth Baptist Church. If you don't have a church home, we hope you'll stop by Fourth and Maple and worship with us.

Troy Wolfe blessed us with special music this week. He shared selections entitled American Christian and Keep on Keeping On. Thank you Troy.

We were reminded through Bro. Cohen's message that when we are willfully disobedient to God, as Jonah was, other people are affected. We see how others are affected by the life of Daniel as well as by the lives of Paul and Silas.

What is your present testimony? How are you living your life and how could that be affecting others? Jonah became a powerful servant once he obeyed God. Are you being obedient to God and allowing Him to use you in a mighty way?

During the time of decision, we joyfully welcomed Dawn Peyton into our Falmouth Baptist Church family.

First Baptist

Blessings! Adam Crozier blessed us with special music. He also did a wonderful job playing music for congregational singing in Tammys absence.

Bro. Harry's message was taken from Philippians. We must do all things without arguing and complaining. This is not becoming to Christians. There is enough going on in our nation without arguing and complaining. People need to see a difference in us because we are Christians. Let your light shine for others to see.

Pray for the lost, those dealing with illness, those who have lost loved ones, our military and their families.

On Sunday, July 10, Bro. Brad's message was "Warnings About Judgement" from Matthew 7:1-5

Life forces us to make judgments or decisions about people everyday. It is so easy for us to dwell on the negative factors instead of the positive. Just remember to reflect upon yourself first, before judging others. Your actions and attitude makes the difference.

Glenwood Baptist

Sign broken, come inside for message." How often have you seen that on a church sign? Many today are seeking signs in order to get faith or confirm faith. A faith which must be derived from more than the Word of God (whether preached, taught or read), cannot be saving faith (Luke 16:24-33)

When the perfect word of God was complete the "signs" passed away (1 Cor. 13:9 & 10). If you are still seeking signs you are discounting the word of God: "Faith cometh by hearing and hearing by the word of God" Romans 10:17.

ty enjoyed the fireworks. Bobbie Seibel thanked the city employees for cleaning up at the park.

Alice Smith wanted to know if the mayor was able to talk to owner of the lake. She said someone had dumped oil in the lake. The mayor said that he had not been able to get

in touch with the owner at this time, but that he will keep trying.

The financial statement was presented to council and after some questions about items on the statement; a motion was made to accept by Greg McElfresh and seconded by Clark. Motion carried.

Council reports: Brossart-noth-

ing, Clark- everyone enjoyed the fireworks but had complaints about the security light. Gerald McElfresh- would like a white line painted in the street on Front Street as the stop sign needs to be closer to the corner. Hopkins thanked the people who donated to the fireworks and stated that there are still nails in the street in front of Napier Pallet. Taylor said something needs to be done about speeders on Matilda Street, as well as people walking in the streets. He mentioned that there were a lot of people in town for the fireworks. He said that landlords need to be notified of nuisance violations. Greg McElfresh said the fireworks were great.

A free movie in the park is scheduled for July 30.

Mayor's reports: He needs help getting addresses to send nuisance letters; Hopkins said he would help. Festival meeting 6:30 , at the community center July 7. There was discussion about the old city fire truck.

Gary Seibel to check on finding a fire museum in Kentucky. The mayor told council that he has not seen or heard from Fire Chief Don Willis. Mayor Spencer would like everyone to know the concerning fire protection in the City of Butler.

Due to the fact that Chief Don Willis of the Butler and Community Volunteer Fire Department refuses to submit monthly financial reports or any reports on how city taxpayer money is being spent, it is in the best interest of the city to pursue other possible avenues.

The Community Building is available for rentals. It is heated, air conditioned and handicapped accessible. Contact city for further information.

There being no further business the meeting adjourned with prayer form Herb Clark.

CARD OF THANKS

We would like to thank the entire community for the generosity and support that has been given to us during Butts' illness. It is hard to find words to express our appreciation for the fabulous benefit held on July 9 which was organized by Dallas Hensley. He did a wonderful job. We also want to thank Michael and Timmy Cummins and band members for the music and Marvin Sullivan and Dave Dunaway for their help. Special thanks to Toni Justice, Palette Arnold, Bonnie Florence, and Carol King. May God bless everyone for their donations, cards, prayers, food and all acts of kindness we have received. Gary Butts and Debbie Hardy.

We want to say thank the Lord for looking over us. Or we wouldn't be here today. The lightning hit our mobile home May 23 and did alot of damage to it. Thanks to our family for all they have done for us and are still helping us. To George and Pam Sharen, Bill and Terry Flaugher, Rick and Marty White, Pine Grove Church, Donna P., and to all who stopped by to see if we were ok and the Fire Dept. Donald and Geraldine.
